2019 October Statewide PSPS Event

The three major Investor Owned Utilities (IOUs) in California, currently have widespread potential Public Safety Power Shutoffs (PSPS) events in-scope due to threatening weather through the end of this week. Multiple Red Flag Warnings, Fire Weather Watches, High Wind Watches and Wind Advisories have been issued by the National Weather Service. Combined, Pacific Gas and Electric (PG&E), Southern California Edison (SCE) and San Diego Gas and Electric (SDG&E) PSPS events could affect greater than 850,000 customers – potentially the largest California PSPS event to-date.
